Table Top Sale

Victoria Hall Stage Group will be holding a Table Top sale again this year as a fundraiser for its activities. The Sale will be Victoria Hall on Saturday 16th October from 10am until 2pm.

If you would like to have a table on the day, these can be booked though Geoff on 32391. Tables cost £10, payable on the day. In addition to table sales there will also be a Tombola stall, raffle and a cake stall run by the Stage Group. Refreshments will be available and entry is free.

This year the Group has assisted Grange Town Council with the purchase of a new piece of lighting equipment for the stage through funding from the Town Council, Grange Opera and Grange Drama. We are presently finalising the scope and cost estimate of a project to improve the stage floor, its covering and considering the possibility of acquiring stage extension units. More details will follow.

Art Exhibition

The 'Witherslack Group' Annual Exhibition begins on Saturday 18th Sept at the Old School Room next to St Paul's Church in Witherslack.

This enchanting venue pulls the artists together each year. It is 15 years since it began with a Judy Evans solo show which grew year on year drawing in traditional crafts and contemporary arts. This event transforms the Old School Room, an experience in a beautiful landscape.

Ceramics, swill making and jewellery, textiles including hookey rugs, felt work and weaving sit beside glass design, painting, printmaking, stone carving and chair making.

Open daily from 18th September until 17th October, 10am - 5 pm. Enquires on 52333.

Many thanks to all our helpers on the wet 60th Anniversary carnival & Procession on Saturday 10th July. Thanks also to our Carnival Queen Sophie Weston and the retinue. Despite the weather we had a successful day and next year's carnival is already being planned.

Prom Art continued success

The weather was fine and warm for Prom Art on Sunday the 25th July, we had a full turn out with over 90 artists and had over 1,500 people visiting that day, even though it was also the weekend of The Steam Fair at Flookburgh and the Windermere Air Show. The music was provided by the Solar Jazz saxophone duo sponsored by the Prom Cafe, Lizzy G a jazz singer and some local young musicians.

As usual there was a diversity of art on display, there is always something new and interesting at Prom Art. We are expecting the Grange Primary School to have a display in September. Each month new artists join us, over 40 travel over 50 miles to get here.

For more information about all the artists who are part of Prom Art, or about exhibiting, please go to the website www.promart.info to find out more. We now have a presence on Facebook called "We love Prom Art Grange-over-Sands". Please become a friend and make your comments as to how we can improve the events.

It is once again that time of year when artists can sign up for next year's season and there is already a great deal of interest being shown by artists old and new so please get in touch if you are interested. There are often spaces left for artists when our regulars are on holiday, so if you are available it is worth enquiring early in the week before each event.

We will finish the season with a visit from Rascal Fayre Ceilidh Band from Kendal who will perform between 2 and 4pm near our Information gazebo at the centre of the event. This 5-piece band consists of fiddle, flute, whistles, mandolin and bazouki. We do hope you will enjoy their music and hope you will join us for the next Prom Art on Sunday 26th September.
