Ten great years at Yewbarrow Garage

Grange Now first featured Andrew Baddiley back in June 2000 when he became proprietor of Yewbarrow Garage. It is good news to report that he is about to celebrate ten years 'at the far end of Station Yard' - doesn't time fly!

Yewbarrow Garage carries out MOTs on cars and light commercial vehicles (petrol and diesel) to class 4 and light commercial vehicles to class 7 by arrangement. They also offer free collection and delivery within a 20 mile radius.

Yewbarrow Garage has the latest specialist computer diagnostic equipment for engine management systems. They have also recently added air conditioning maintenance and repair along with key programming to their services available.

Yewbarrow Garage offers a 24 hour accident and breakdown recovery service, bodywork repairs (with a 12 month guarantee) from a small scratch to a full re-spray, including free estimates

M.O.T. YEWBARROW GARAGE
Servicing & Repairs To All Makes of Vehicle
Tel: 015395 34291
PROPRIETOR: ANDREW BADDILEY

Open from 8am to 6pm Monday to Friday and 8am to 1pm on Saturdays, MOTs and servicing

can also be undertaken outside regular opening hours by prior appointment.

Andrew would like to point out that under the block exemption rule that was introduced in 2002, the consumer now has the freedom of choice as to where they have their vehicle serviced from new, without any affect to the manufacturer's warranty. Should anyone want further information leaflets are available and details can also be found at www.r2rc.co.uk Andrew is currently constructing a new website for the garage, which will be up and running shortly.

Apart from Andrew, who has 30 years experience in the motor trade, the team at Yewbarrow Garage includes two fully qualified mechanics, one apprentice mechanic and a full-time Accounts/Office Administrator.

Well done Yewbarrow Garage on ten successful years.
