## Birchleigh Guest House reopens

Good news that Birchleigh Guest House on Kents Bank Road has reopened. It is under the new ownership of Linda and Peter Endsor who have moved to Grange from Cheshire where they managed a Masonic Hall. They also owned a carpet business which is now being run by their sons. Having spent many holidays in the area they decided to move to Grange and the opportunity to purchase Birchleigh arose.

Linda and Peter say they enjoy a challenge and think that with their experience in the hospitality business and the fact they love meeting people will stand them in good stead. Grange Now is very pleased to report Birchleigh is once more open for business and we wish Linda and Peter every success.

## New Family Walks at Holker Hall

It is always lovely to see families at Holker Hall & Gardens. Whether they are exploring the gardens and parkland, having fun in the children's play area, enjoying a picnic or having a tasty treat at the Cafe, these simple pleasures make for a wonderful day out.

We are delighted to be adding to the family activities on offer with our new Holker family walks from the "Go Cards" series. In the handy form of a colourful postcard with an illustrated map and step by step directions and information, the walks are circular routes which start from the Holker car park (where you can park for free) and follow local lanes and footpaths. The Monk's Walk is a mostly woodland walk to Cartmel and the Fisherman's Walk is a coastal route to Flookburgh. The fun cartoon formats are great for children and there are lots of interesting things to look out for and learn along the way. They are the perfect way to spend a morning or afternoon. The Holker "Go Cards" cost £1.00 each and can be purchased from the gift shop or ticket kiosks.
